Re: AB 884 (Gordon) (as amended June 30, 2016) — NEUTRAL

Dear Assemblymember Gordon,

Please note that we, the proponents of the state ballot initiative Proposition 54, have updated our position on your AB 884, as amended June 30, 2016, to a neutral position.

As you know, we had opposed a previous version of AB 884 because that version presented conflicts with the voter-initiated reforms in Proposition 54, also known as the California Legislature Transparency Act, which will appear on the November state ballot.

Since that time, AB 884 has been substantially amended in a way that resolves those conflicts. After reviewing the amendments, we now remove our opposition to the bill. We would be pleased to further discuss if you have any questions.

Sincerely,

Charles T. Munger, Jr.
